

# SUMMER SUN BUCKS PROGRAM

*Fill out your benefits form today!*

Summer EBT Cards, now labeled as SUN Bucks, will be available to families with eligible school-age children to buy groceries, similar to the USDA's Supplemental Nutrition Assistance Program (SNAP). Although meals are free for all students this school year, not all students are eligible for SUN Bucks benefits.

To be eligible, families must complete an Education Benefits Form online, or currently be approved for these benefits by Supplemental Student Count Day, Wed., Feb. 14, 2024.
