January 31, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-23 educational progress for Black Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mike Lee for assistance.

The AER is available for you to review electronically by visiting the following web site, https://bit.ly/3cioj9k, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Key initiatives for the upcoming school year include strengthening Tier I instruction through cohesively utilizing Professional Learning Communities, Thinking Maps across the curriculum, Math tasks and journals, vocabulary focus, and Classroom Instruction that Works. We will also implement additional support instruction for students who need Tier II and Tier III. Actions that can be taken to raise achievement include: professional development in the Michigan standards, Title I assistance, Title I and Language Acquisition instruction, differentiated instruction within the classroom, school-wide free breakfast and lunch program, health and medical services, extended learning opportunities, literacy take home bags, summer reading/math program, parent curriculum night, RAZ Kids, Reading A-Z, Brain POP, literacy library, Heggerty, guided reading, math manipulatives, small group instruction, Scholastic News, peer tutoring, NHS tutoring, Healthy Kids Club, Mindfulness, Playworks, incoming kindergarten camp, and Technology Integration.

State law requires that we also report on the following additional information:

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Students are assigned to schools according to their address of residence within the District's boundaries. Parents may request another school within the District under the Open Enrollment process however, transportation is not provided. The Board of Education has determined that it will allow nonresident students, residing within the Macomb ISD, but whose parent(s) reside in the District, and who qualify to enroll in the District through a Schools of Choice program.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

All schools in the district are in the first year of installation, implementation, monitoring, and evaluation of a district-wide continuous improvement plan that focuses on student achievement across all content areas through a fidelitous implementation of the PLC framework. This year, all building-level Professional Learning Communities have committed to raising student achievement through the multi-year process of creating a guaranteed and viable curriculum unit by unit at all grade levels. In focusing on the whole child, the district's Social Emotional Learning continuous improvement plan is in the installation phase of choosing SEL curricula to be presented to the board.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

Early Childhood Education is an important part of the mission and vision of Warren Consolidated Schools. A variety of early learning classrooms are housed in our elementary buildings. These programs include WCS Early Childhood Special Education (ECSE) Program, the World of Fours (grant-supported preschool program for 4-year-olds),

fee-based 3-year-old and 4-year-old preschool, transitional kindergarten, and several Macomb-Intermediate School District Head-Start classrooms.

The Middle School Mathematics Science Technology Center (MS2TC) offers an advanced mathematics, science technology option for middle school students. Students who are accepted into the program will split their day between their home middle school, where they will take their social studies and two elective classes, and Butcher Educational Center, where they will take their mathematics, science, and English language arts classes.

The Middle School Visual and Performing Arts (MSVPA) is an exciting, creative program that has been designed to build on the district's nationally acclaimed, award-winning high school performing arts program (WCSPA) which is in Sterling Heights High School. MSVPA is intended for academically focused and creative students who seek to blend their academic experience with interest in the performing arts. Students who are accepted into the program will split their school day between their home middle school, where they will take their language arts, science, and math classes, and Butcher Educational Center, where they will take their social studies and two performing arts electives. The performing arts electives will include visual arts, music, dance, and theatre exploratory experiences.

The Macomb Math and Science Center (MMSTC) is an honors program for 9th – 12th grade students in Macomb County districts who are interested in advanced/accelerated mathematics, science, and computer technology. Students must apply and be selected for the program based upon placement testing and teacher's recommendation. The Center's program is a half day and students attend their home school for the remainder of the day. It is located at Butcher Educational Center.

The Career Preparation Center (CPC) programs are open to Clintondale, Fraser, and Warren Consolidated 11th and 12th grade students. CPC programs are designed to provide students with skills to enter the workforce or continue with additional college or workplace training. Career Technical Education (CTE) classes at the CPC provide technical skills and knowledge. Students enrolled in these programs are often able to earn technical certifications as well as college credit.

Community High School is an alternative education program for high school students. The primary objective of the school is to assist enrolled students in meeting their high school graduation requirements in a timely manner. It is now located at the Hatherly Educational Center.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

Warren Consolidated Schools follows all State of Michigan curriculum guidelines. The Board of Education has adopted a core curriculum based on Michigan Curriculum Framework, Michigan State Standards, and Michigan Merit Curriculum approved by the State Board of Education. A copy of the core curriculum may be accessed by contacting the school office.

THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

Warren Consolidated Schools administers the Northwest Evaluation Association Measure of Academic Progress (MAP Growth) during the fall and spring of every school year. The Reading and Mathematics results for the 2022-23 and 2021-22 school years are listed below. Reading performance was measured by the Diagnostic Reading Assessment (DRA3) during the 2022-23 and 2021-22 school years.

^{*}Spring conferences are held by the request of parent or teacher

Black Elementary continuously collaborates with families and the community to enrich the lives of students. Black focuses on the SEL component by incorporating the Positivity Project into all our classes. Black also runs a school wide PBIS program called SOAR. We celebrate each month by recognizing our students of the month and SOAR cup winner at our monthly school wide pep assemblies. We encourage parent participation with our PTO, WATCH DOGS Dads, and many other opportunities. Our PTO has adapted and continues to be a huge support to our school. Staff meet regularly for PLCs. We strive to meet the needs of the whole child by addressing emotional and educational needs. Through our Multi-Tiered System of Supports process, Peer2Peer, Get Up and Move, Green School projects, Art projects, and focused lunch groups, we provide a rich learning environment which encourages all children to make connections and succeed to their fullest potential.

Sincerely,

Mike Lee Interim Principal of Black Elementary School
