(5/6): 23g Expanded Learning Time

Owner: Pamela Fry

Start Date: 10/25/2023   *Due Date:* 06/30/2025

Summary: EdTrust defines expanded learning time (ELT) as programs or strategies implemented to increase the amount of instruction and learning students experience. ELT strategies include afterschool, summer, and in-school programs. The evidence suggests that extended learning time programs, including extended school day (ESD), extended school year (ESY), and expanded learning opportunities (ELO) programs that provide academic services during out-of-school time hours, can be effective in improving a range of educational outcomes for students. Findings also suggest that extended learning time programs may be more advantageous for low-income, low-performing, ethnic minority or otherwise disadvantaged students.

Start Date: 10/25/2023   *Due Date:* 06/30/2025

Summary: Tutoring, defined as supplemental one-on-one or small group instruction, can be a powerful tool for accelerated learning. Tutoring is an effective intervention because tutoring:
• customizes learning to target a student's immediate learning needs.
• provides additional instructional time by aligning the tutoring activities to current classroom activities.
• offers more engagement, rapid feedback, and less distractions in one-on-one and small group environments.
• creates meaningful mentor relationships.
