

Playdough Shapes

Materials: Shape cards, playdough

1. Choose a card.
2. Roll your playdough into a long snake and use it to make the shape on your card. 
3. Use the math talk sentences to tell your partner about the shape you made.

I made a _____.

It has ____ sides.
4. Repeat with other cards.

I made a ____.
It has ____ sides.

I made a ____.
It has ____
vertices.

I made a ____.
It is ____.

I made a ____.
It has ____ sides
and ____ vertices.
