Camp Description:

If you haven't already, you will create and link your College Board student account to an account at Khan Academy. The advantage of linking accounts is that Khan Academy can then access your previous test scores, like the spring 2018 PSAT 10, to create a tailored practice plan specifically for you. The camp will provide the space, technology and a quiet atmosphere for students to work on their tailored plan. Students will complete about 5 hours of their plan while having fun "brain breaks" in between.

Parents of registered Macomb County students will have the opportunity to attend an informational evening meeting on Wednesday night on August 15, 2018. The meeting will include an overview of the state required 11th grade SAT test, how to monitor your student's progress in Khan Academy, and how to support your student beyond the camp. Students are welcome to attend with their parents.

For more information please contact Lauri Jurcak at (586)228-3492.

*You're eligible for a fee waiver if you say "yes" to any of these items:

- You're enrolled in or eligible to participate in the National School Lunch Program (NSLP).
