## Program Overview

---

### Program Objectives

1. Students will develop core reading, math, and writing skills and test-taking strategies to improve their SAT score.
2. Students will understand the importance of the SAT, its role in the college admissions process, and assess their own strengths and growth areas.

### Program Structure

EnACT will deliver an intensive twelve-week SAT prep class for four sections of up to 180 students at Warren Mott High School January 14 to April 8, 2017. Classes will be held on Saturdays from 9:00 am to 12:00 pm and 1:00 to 4:00 pm.

Time	Instructor	Instructor
9:00 am – 12:00 pm	N. Mahmoud	K. Wilson
1:00 – 4:00 pm	N. Mahmoud	S. Jarman

### Course Materials

EnACT will provide up to 180 textbooks (*SAT Masters: 2016 Edition*) and all supplemental worksheets as needed. Students are expected to provide their own notebooks, writing utensils, and folders.

### Student Success Data

The instructor will track student attendance and assessment results and administer post-class surveys to student to gather feedback on the program’s impact on their SAT readiness. After the program’s conclusion, EnACT will aggregate student review data and send final results to the Warren Mott.

Warren Mott will provide students’ SAT scores from the April 2017 SAT exam to EnACT once they become available. Once EnACT receive student results from the April 2017 SAT, EnACT will send a final impact report to Warren Mott summarizing student growth.
